

Slaughter Educational Scholarship

The Slaughter Educational Scholarship initially began in 1967 through a donation to Barrow County Schools, and these scholarship funds are now managed by The Barrow Community Foundation Inc. The scholarship is awarded annually to one or more graduating high school seniors from Barrow County's public schools, who have been accepted to an accredited college or university, and plan to pursue an educational degree.

A student must be enrolled in, or accepted for enrollment at an accredited four year college or university. The Barrow Community Foundation will mail a scholarship check to the registrar of the college in the student's name. Scholarships range from \$500-\$1000.

Return this completed application and attachments **by February 28** to your school's Career Center Coordinator or your Counselor. A Scholarship Committee representative will pick up all completed applications from the schools or USPS mail it to BCF Scholarship Committee at P.O. Box 1482, Winder, GA 30680 by the deadline.
